The image shows two hand-drawn wireframes of a web application on graph paper. The top wireframe represents the main page of 'IMPERIO GYM'. It features a header with the gym's logo and name. The main content area includes a large box for a profile picture labeled 'FOTO', a quote 'Suda ahora, brilla después', and a 'CLASES' button. A navigation bar at the bottom contains links for 'CLASES', 'IG' (highlighted with a circle), and 'MI PERFIL'. The bottom wireframe represents a user profile page. It starts with a circular profile picture placeholder and a greeting '¡Hola Usuario!'. Below this is a 'CLASES ASISTIDAS' section with a toggle switch. A list of filters follows: 'SUCURSAL', 'ACTIVIDAD', 'FECHA', and 'HORA', each with a 'seleccionar' button. An 'INSCRIBIRME' button is positioned below the filters. The same navigation bar from the top wireframe is at the bottom, with 'IG' again highlighted.
